Object: Phthalates

Further to your request , we declare hereby that our products:

TEXIPLAST 7000 OP

In the original and not tampered packaging, don't contain

bis(2-ethylhexyl)phthalate (DEHP)
dibutylphthalate (DBP)
benzyl butyl phthalate (BBP)
di-isononyl phthalate (DINP)
di-isodecyl phthalate (DIDP)
di-n-octyl phthalate (DNOP)
dimethyl phthalate (DMP)
diethyl phthalate (DEP)
dipropyl phthalate (DPP)

Should you need a more specific declaration relevant to the presence of phthalates, it is necessary that you provide to effect an analysis at specific certified Institutes, on the final decorated product in order to check that the real level of phthalates contained is not superior than the maximum tolerated percentage. In fact, it is possible that, during the production operations to arrive to the final product, external contaminations can arise, not directly implying the nature of the ink.

We remain at your disposal for any further information you may need.

Best Regards
